

# The Ostrich Room

Our high-end mixology program tucked in this warm, richly textured bar designed to feel like a magical discovery for everyone who experiences it. Full of cozy nooks for private conversations and a shared table for listening to live music with friends. A crossroads for locals and travelers alike, The Ostrich room is rich in moody ambience and features an inventive menu of original cocktails and perfectly balanced, elevated bar bites. Pull up a seat at the bar or sink into one of our leather couches to close out another perfect day in the Berkshires—where you might just hear the strains of live music coming in from our lobby lounge.
